

Morganigram – March 20th 2006

Me: what, when & where. Introspection and proaction tool. Main objective: help me see the big picture and act accordingly.

Personal Traits

- Curious and willing to learn
- Honest
- Creative
- Proactive
- Organized
- Generous
- Ambitious
- Enterprising
- Autonomous
- High adaptability
- Good team spirit
- Diversified interests

Interests

Don't look for reasons to live, simply be

- Peace
- Knowledge management
- Friends (must help me evolve) O
- Spending time with family & friends ♦
- Transparency
- Enlightenment
- Autonomy
- Pragmatism
- Technology
- Culture

Demeanor

- I care about happiness. Me, family, friends, community, world
- Don't care much about accumulating wealth & goods
- Loaded personal agenda
- Manage my life in terms of time spending, not money
- Little fun from smalltalk
- I was timid, can be intimidated if confronted
- IP-unfriendly
- Would not live in suburbs
- Eating healthy (goal: and not too much) ♦
- Difficulties working with incompetent colleagues
- Do not watch much tv
- Time management: my own priorities should come first *

Caroline

Most important is that I love you, everything else is accessory

Towards peace, experience and learning

Be happy in the present with the memory of my past and the dreams of my future

Hobbies

- Reading
- Music
- Outdoor sports (hiking, canoe, sailing, skiing, cycling)
- Indoor sports (squash, racquetball)
